Board of Directors Application

Thank you for your interest in serving on the Board of Directors of Project HELP. Project HELP welcomes applicants who are committed to and passionate about supporting the quality of life for families and their children.

Regular board meetings are held on the fourth Tuesday of the month at 5:30 pm. Board members will be required to serve a three-year term (limited to 2 consecutive three year terms of office), and are expected to regularly attend and participate in board meetings, serve on committees, take part in marketing, fundraising and other actives for the benefit of Project HELP.

Individuals interested in applying to participate on the Board of Directors are encouraged to complete the application. Potential candidates may be asked for a personal interview in addition to the written application.
